Projects

Skylost (3D Open-world Game)

2021.8 – 2022.5

ART DIRECTOR

Project Description: 1 of 8 selected USC Advanced Game Projects of 2022, developed by a team of 30 students with a mock-AAA pipeline within one year. A USC Games Expo 2022 selection. Published on Steam.

Project Link: <https://store.steampowered.com/app/1977890/Skylost/>

- Created mood concepts/character/prop designs and gathered references to set visual direction for the whole game
- Led 10 artists including Concept, Model, Animation, UI, Tech Art, Level Art, providing draw-overs and written feedback to their daily work
- Hand-placed assets in Unity alongside artists when necessary

Heart Heist (3D Stealth Game)

2025.6 – PRESENT

CHARACTER ARTIST

Project Description: LA-based indie studio Kumquat Studios' first game, to be released on PC and Switch. Team is made up of developers who have shipped Call of Duty: Black Ops, indie games, and military simulations.

Project Link: <https://heartheistgame.com/>

- Gathered references and create character concepts to expand on existing game demo's art style and narrative
- Created NPR characters with high details to serve as a proof-of-concept

Broomsmith (VR Game)

2026.1 – PRESENT

ASSET ARTIST

Project Description: BFA senior capstone representing SCAD at GDC 2026.

- Created models and hand-painted textures for 10 assets in an unlit style, serving as main props that player interacts with in VR

Professional Experience

Baobab Studios

2021.8 – 2021.12

MARKETING INTERN (ILLUSTRATION)

Company Description: Baobab Studios is an Emmy-winning interactive animation studio based in the Bay Area, known as the "Pixar of VR animation."

- Created illustrated banners based on studio IP characters for online events such as film releases and holiday celebrations
- Brainstormed and executed online marketing campaigns and in-person screening event for in-house short film *Namoo*

Timi Studio Group, Tencent Games

2020.1 – 2020.5

MARKETING INTERN (GRAPHIC DESIGN)

- Established design language handbook for TiMi's social media marketing and independently created marketing assets based on the handbook
- Co-produced a short documentary based on interviews with game-major students in the US, gaining 20k+ views on Tencent's official Bilibili channel
