Chinese: Native

Projects

The Ring of Fire (3D&2D Animated Short)

2026.3 – PRESENT

3D CHARACTER TEXTURE ARTIST

Project Description: SCAD Animation MFA student thesis.

- Tested and developed a hand-painted texturing pipeline to replicate the stylized look of *Nimona*
- Collaborated with Director, Producer, Modeler, and Rigger to set creative direction and solve character pipeline issues

Heart Heist (3D Stealth Game)

2026.1 – PRESENT

3D CHARACTER ARTIST

Project Description: LA-based indie developer Kumquat Studios' original title.

Project Link: <https://heartheistgame.com/>

- Gathered references and developed character concepts to expand the existing game demo's art style and narrative
- Created high-detail NPR characters as proof of concept

Broomsmith (VR Game)

2026.1 – 2026.3

3D PROP ARTIST

Project Description: SCAD VR senior capstone representing SCAD at GDC 2026.

- Created models and hand-painted textures for 10 assets in an unlit style, serving as main props that player interacts with in VR

Skylost (3D Open-world Game)

2021.8 – 2022.5

ART DIRECTOR

Project Description: 1 of 8 selected USC Advanced Game Projects of 2022, developed by a team of 30 students with a mock-AAA pipeline within one year. A USC Games Expo 2022 selection. Published on Steam.

Project Link: <https://store.steampowered.com/app/1977890/Skylost/>

- Created mood concepts/character/prop designs and gathered references to set visual direction for the whole game
- Led a team of 10 artists across concept, modeling, animation, UI, tech art, and level art, providing draw-overs and written feedback to their daily work
- Collaborated with artists to place and polish assets in Unity

Professional Experience

Baobab Studios Redwood City CA

2021.8 – 2021.12

MARKETING INTERN (ILLUSTRATION)

- Created illustrated banners based on studio IP characters for online events such as film releases and holiday celebrations

Timi Studio Group, Tencent Games Los Angeles CA

2020.1 – 2020.5

MARKETING INTERN (GRAPHIC DESIGN)

- Established design language handbook for TiMi's social media marketing and independently created marketing assets based on the handbook
